Browser mein: https://tarkeshstack.github.io/farmvisit/

SHURU KARNE SE PEHLE

App install kijiye

Farm Visit app aapke Android phone par chalta hai. Ek baar install kijiye, fir har visit isi se bhariye.

1 APK download aur install

Phone ke Chrome mein yeh link kholiye:

https://github.com/tarkeshstack/farmvisit/releases/latest/download/FarmVisit.apk

Download ho jaane par file par tap kijiye. Android pooche to **“Install unknown apps” → Allow** kijiye, fir **Install** dabaiye.

Tip: Pehli baar app **internet ke saath** kholiye. Uske baad yeh bina signal ke bhi khulta hai.

2 Browser se bhi chala sakte hain

iPhone ya computer par seedha **https://tarkeshstack.github.io/farmvisit/** kholiye. Chrome mein ⋮ → **Add to Home screen** se icon bhi bana sakte hain.

Aapka kaam (Auditor)

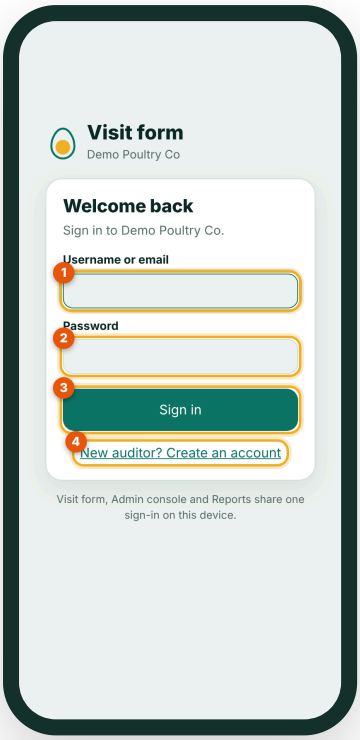

Farm visit bharna, naya farm jodna, apne visits edit karna, PDF share karna, sabhi visits ki reports dekhna.

Sirf Admin kar sakte hain

Farm edit/delete, visits delete, logon ko jodna, metrics aur fields badalna.

STEP 1

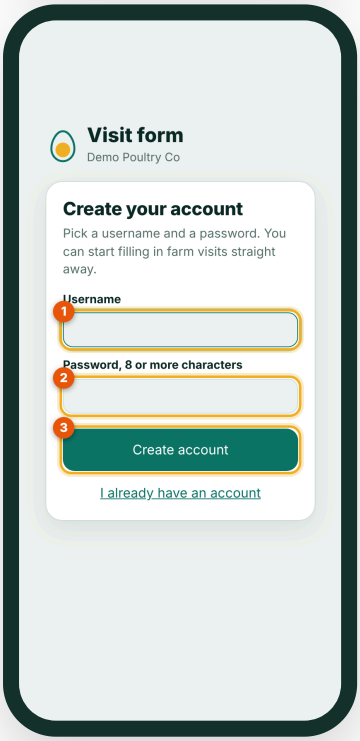

Sign in ya naya account

1 Sign in

1. **Username ya email** likhiye
2. **Password** likhiye
3. **Sign in** dabaiye
4. Naye auditor? **“New auditor? Create an account”**

Ek baar sign in karne par app 30 din tak yaad rakhta hai.

2 Apna account banaiye

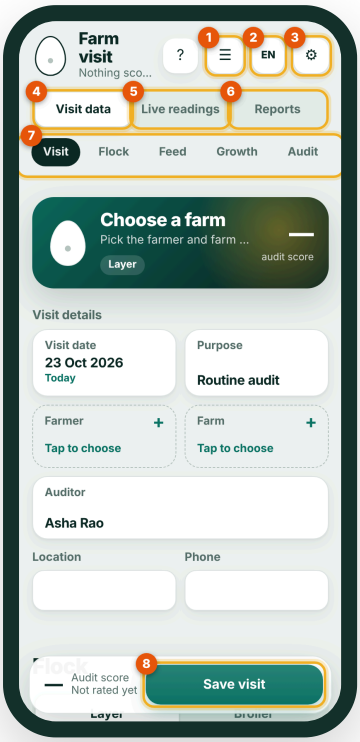

1. Apna **username** chuniye (jaise ramesh01)
2. **Password** — kam se kam 8 akshar
3. **Create account** dabaiye — form turant khul jayega

Agar “Sign-up is turned off” likha aaye, to apne Admin se account banwaiye.

STEP 2

Home screen ko samjhiye

App khulte hi aap **Visit data** par hote hain. Upar ke buttons aur tabs:

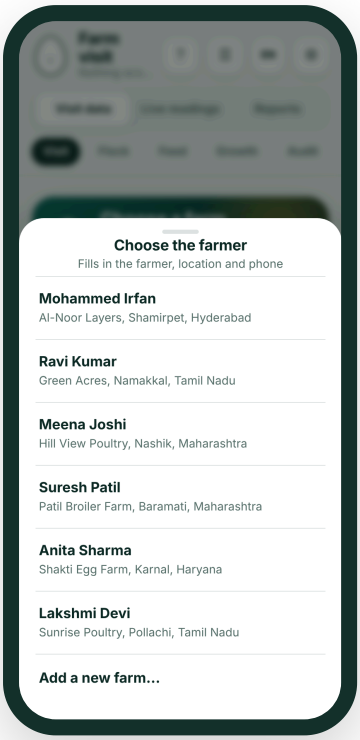

1 Buttons aur tabs

1. **≡ Saved reports** — aapke save kiye visits
2. **EN** — bhasha: English / Hinglish / Hindi
3. **⚙ Settings**
4. **Visit data** — visit yahan bhariye
5. **Live readings** — score turant dikhta hai
6. **Reports** — saare visits ke graphs
7. **Section bar** — Visit, Flock, Feed, Growth, Audit, Sign par seedha jump
8. **Save visit** — hamesha neeche dikhta hai

Tip: ? button dabaiye — har screen ki chhoti Hinglish guide chal jayegi.

STEP 3

Farm chuniye aur visit details

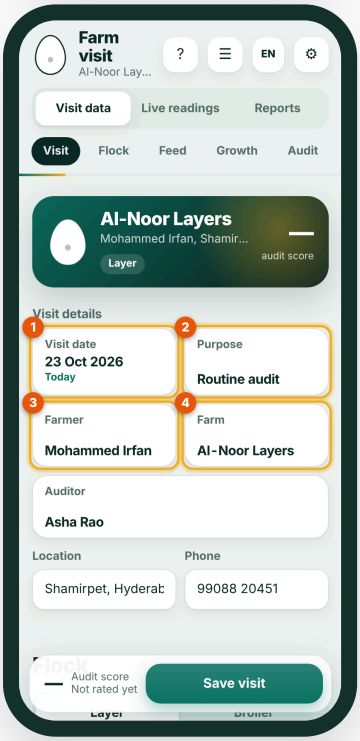

1 Farmer / farm list

Farmer ya **Farm** tile par tap kijiye. List se naam chuniye — location aur phone apne aap bhar jayenge.

Naya farm? List ke neeche **“Add a new farm...”** chuniye aur farmer, farm, jagah, phone bhariye.

> Naya farm sabke liye jud jata hai. Farm ki galti theek karni ho to Admin ko boliye.

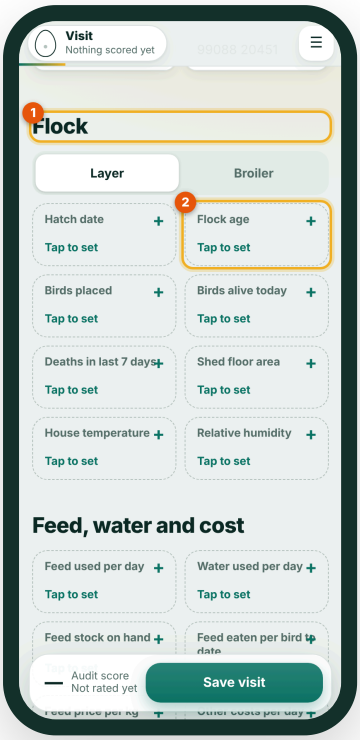

2 Visit details

1. **Visit date** — aaj ki tareekh pehle se
2. **Purpose** — Routine audit, Follow-up...
3. **Farmer**
4. **Farm**

STEP 4

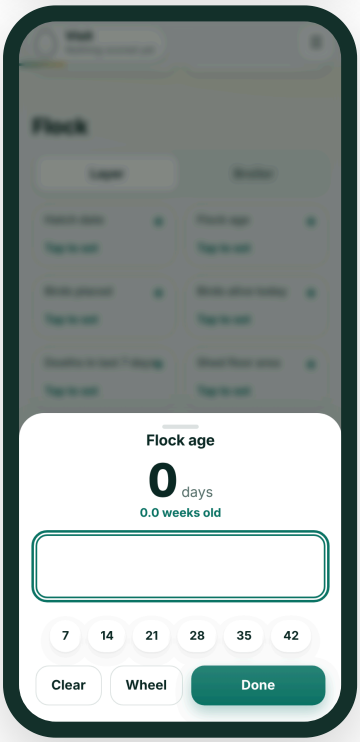

Flock aur numbers bhariye

1 Flock section

Jo tile khali hai usme *"Tap to set"* likha hota hai.

1. Pehle **Layer** ya **Broiler** chuniye — form usi hisaab se fields dikhata hai
2. Kisi bhi **tile** par tap karke number bhariye

2 Number daalna

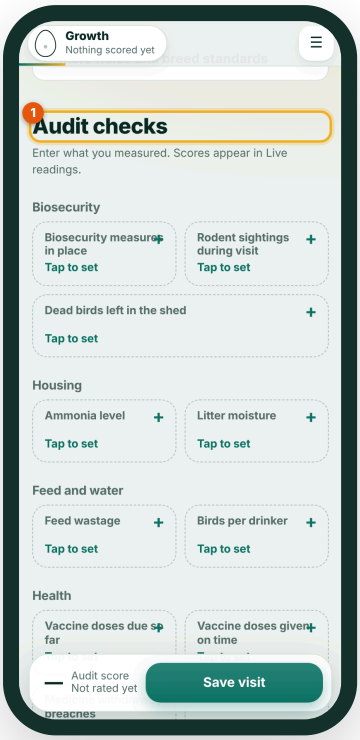

Number ka box khulta hai, unit ke saath (days, birds, kg...). Upar wala box ya neeche ke quick buttons (7, 14, 21...) use kijiye.

Wheel se scroll karke bhi chun sakte hain. **Done** dabaiye.

> **Tip:** Wheel ya keyboard — style ⚙ **Settings → Number entry** mein badliye.

STEP 5

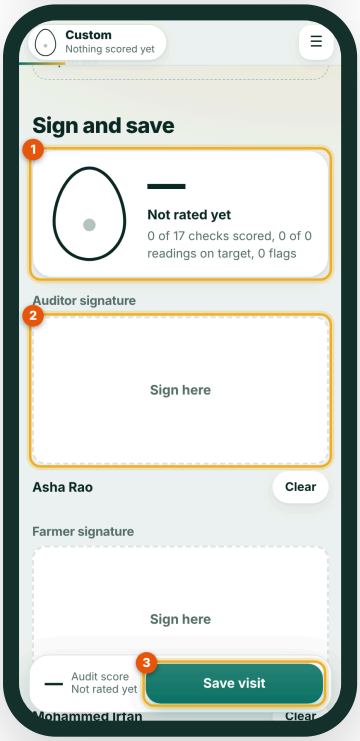

Audit checks, sign aur save

1 Audit checks

Har check audit score mein judta hai. Laal (critical) checks sabse zyada points kaat-te hain.

1. Farm par jo dikhe use giniye — biosecurity, chuhe, mare hue pakshi, ammonia, litter...

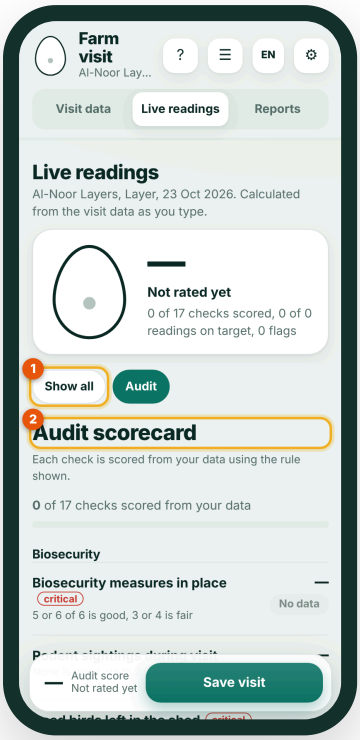

2 Sign aur Save visit

1. **Score summary** — anda jitna bhara, utna achha
2. **Signature** — auditor aur farmer ungli se sign karein
3. **Save visit** dabaiye

Save hote hi visit **phone mein** rakh liya jata hai. Internet milte hi apne aap Google Sheet mein chala jata hai — signal na ho to bhi chinta nahi.

STEP 6

Live readings — score turant

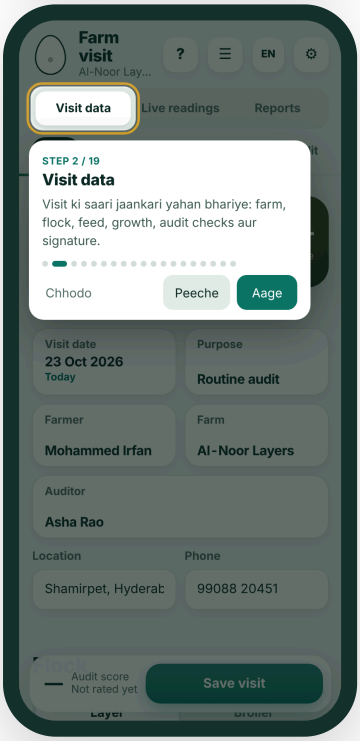

1 Live readings tab

Jaise-jaise aap bharte hain, readings target ke hisaab se rang badalti hain:

Hara = theek | **Peela = dhyan dein** | **Laal = turant theek karein**

1. **Groups** — Audit, Mortality, Feed... ya **Show all**
2. **Scorecard** — har check aur uske points

> **Tip:** Upar **score anda** dabaiye — is visit ki saari readings ek saath.

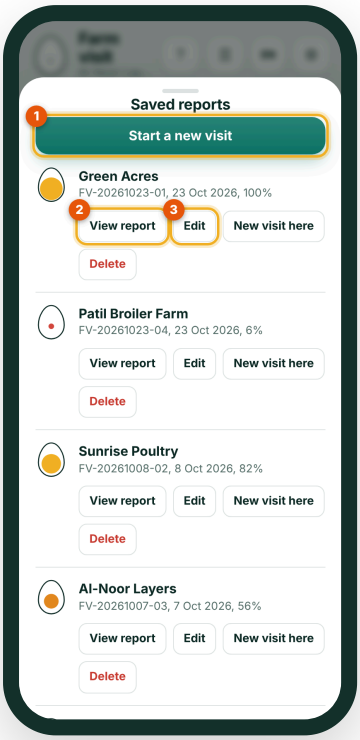

2 Guide cards

Har screen pehli baar kholne par aisi Hinglish cards aati hain. **Aage** / **Peeche** se dekhiye, **Chhodo** se band kijiye.

Baad mein kabhi bhi **?** dabakar dobara dekhiye.

STEP 7

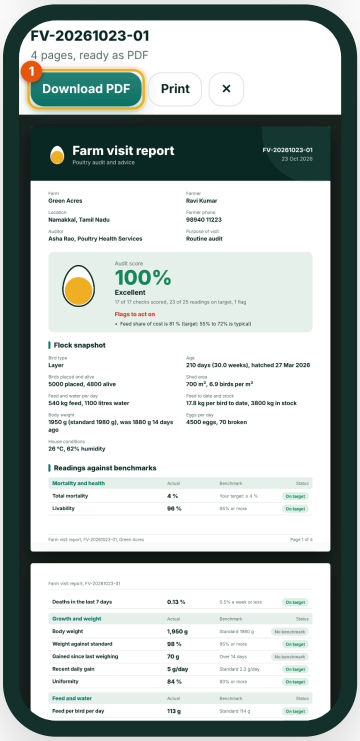

Saved reports aur PDF

1 Saved reports (≡)

New visit here — usi farm ka agla visit, purani details ke saath.

1. **Start a new visit** — naya khaali form
2. **View report** — PDF report dekhiye
3. **Edit** — visit theek kijiye

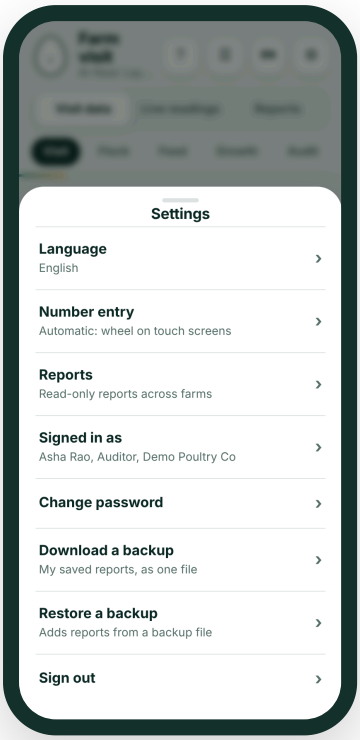

2 PDF report share

Report mein farm, score, readings, target, actions aur dono signature hote hain.

1. **Download PDF** — app mein phone ki share list khulti hai: Files, Drive, WhatsApp, Email
2. **Share** — seedha WhatsApp ya email par bhejiye

STEP 8

Settings aur madad

1 Settings (⚙)
