SABSE PEHLE

Data kahan se aata hai

Aap jo graphs dekhte hain, wo auditors ke farm visits se bante hain. Har visit Google Sheet mein save hota hai aur Reports page usi se padhta hai.

Auditor
Farm par visit bharta hai

→

Save visit
Internet milte hi Sheet mein

→

Reports
Page kholte / refresh karte hi naya data

Aap kya kar sakte hain

Graphs, scores, findings dekhna; filters lagana; PDF aur CSV download karna.

Aap kya nahi kar sakte

Visit bharna ya badalna, farm ya log jodna. Kaunse farms aapko dikhenge, yeh **Admin** tay karte hain.

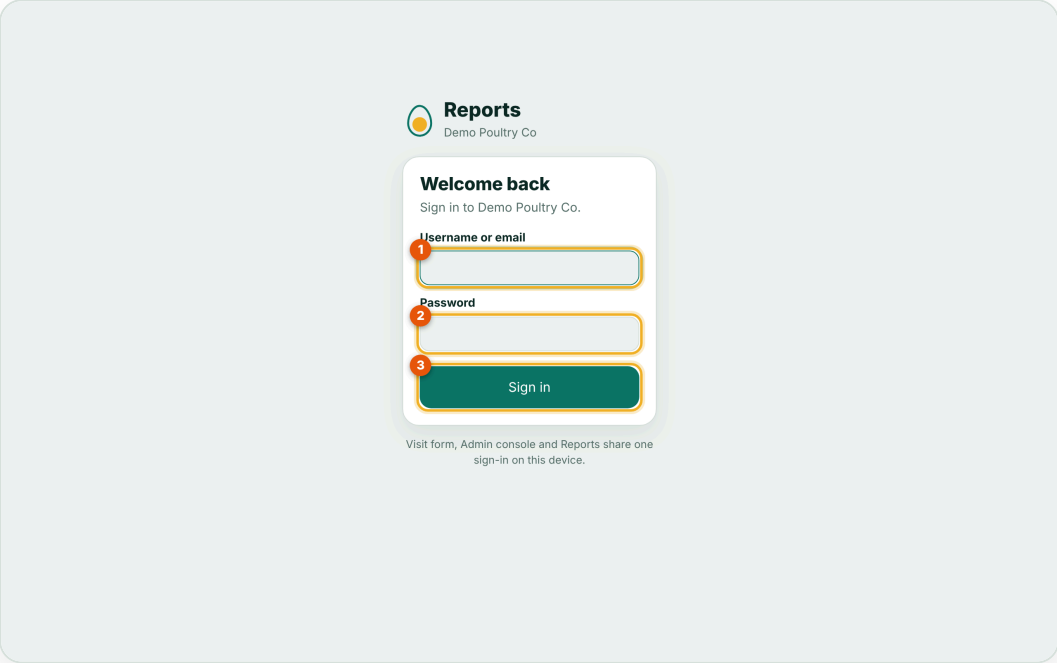

STEP 1

Sign in aur Dashboard

1 Sign in

Pehli baar temporary password se sign in karne par apna naya password chuniye.

1. Username ya email (Admin ne diya)
2. Password
3. Sign in

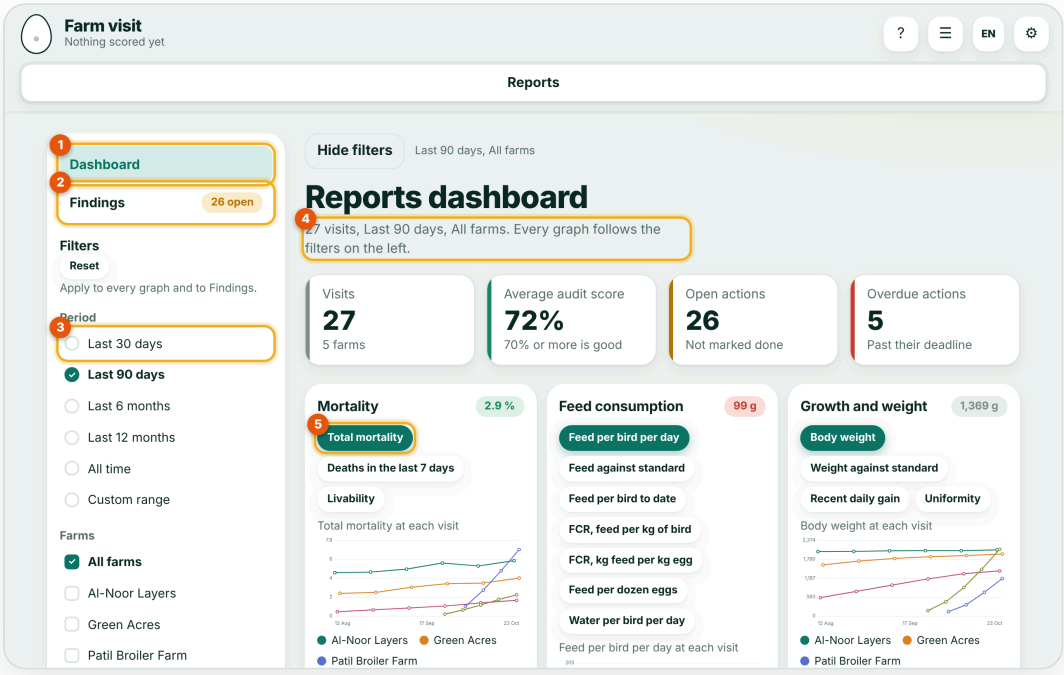

STEP 2

Dashboard

1 Dashboard

Upar 4 cards: visits, average audit score, open actions, overdue actions.

1. **Dashboard** — numbers aur graphs
2. **Findings** — visits se nikle khule kaam
3. **Period** — 30 din, 90 din, 6 mahine, saal, all time ya custom
4. **Summary** — kitne visits, kis period, kaunse farms
5. **Reading chips** — graph mein kaunsi reading

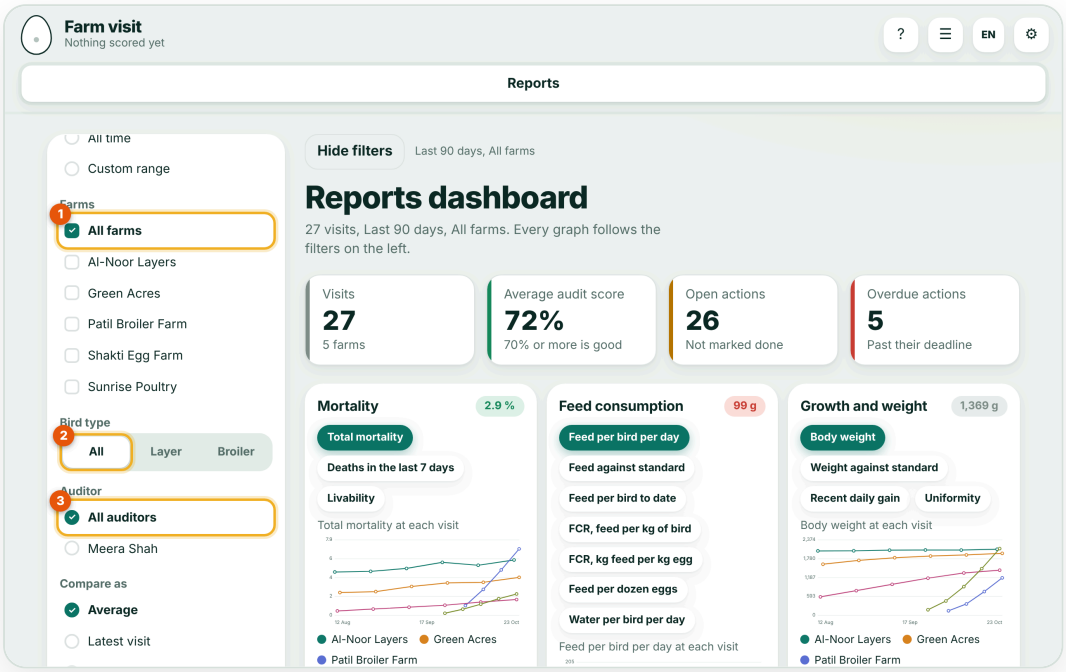

STEP 3

Filters

1 Farm, bird type, auditor

Har graph aur number inhi filters ke hisaab se badalta hai. **Reset** se sab wapas.

1. **Farms** — All farms ya kuch farms tick karke tulna
2. **Bird type** — All / Layer / Broiler
3. **Auditor** — kisi ek auditor ke visits

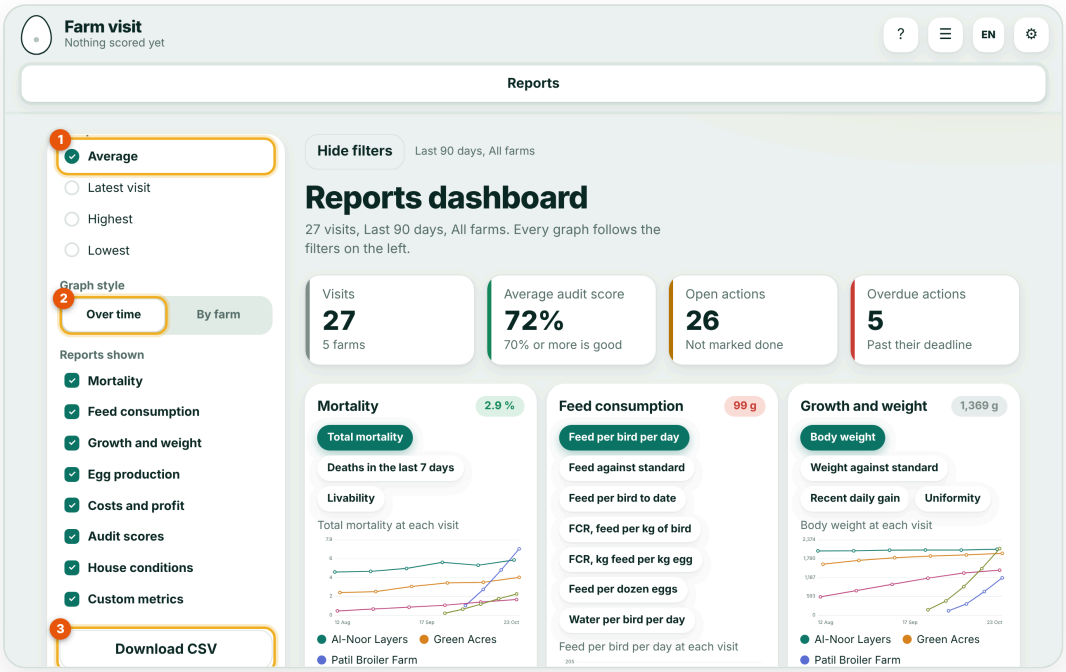

STEP 4

Compare aur download

1 Compare as, chart, download

Reports shown mein Mortality, Feed, Growth, Egg, Costs, Audit, House conditions on/off kijiye.

1. **Compared as** — Average, Latest visit, Highest, Lowest
2. **Over time / By farm** — samay ke saath ya farm-wise graph
3. **Download CSV** — Excel ke liye
4. **All as PDF** — poori report PDF mein

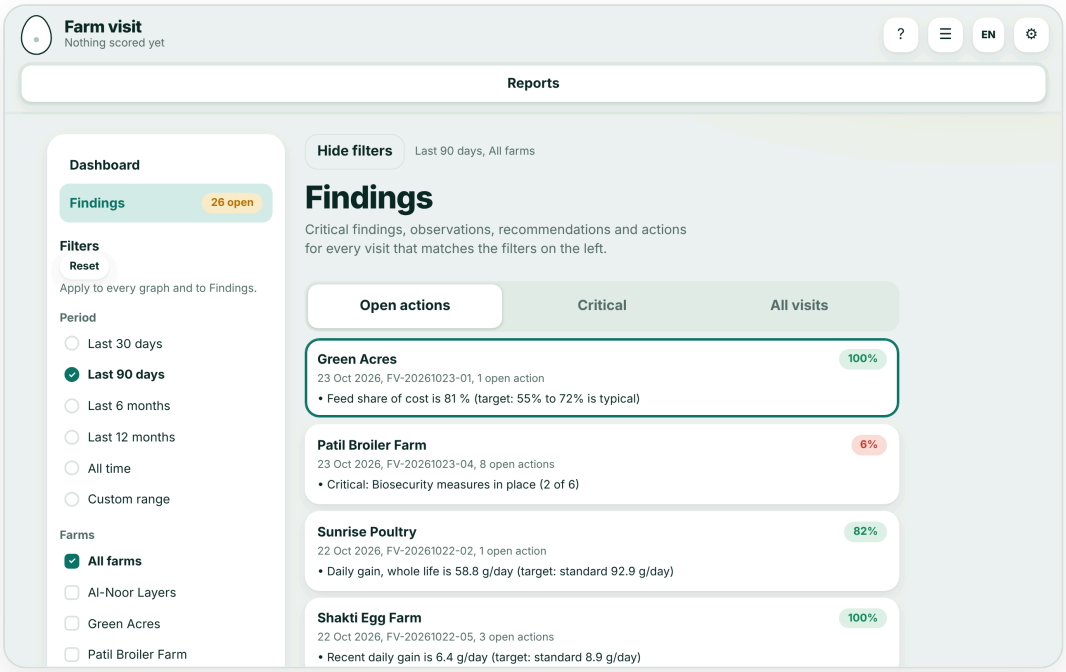

STEP 5

Findings

1 Findings

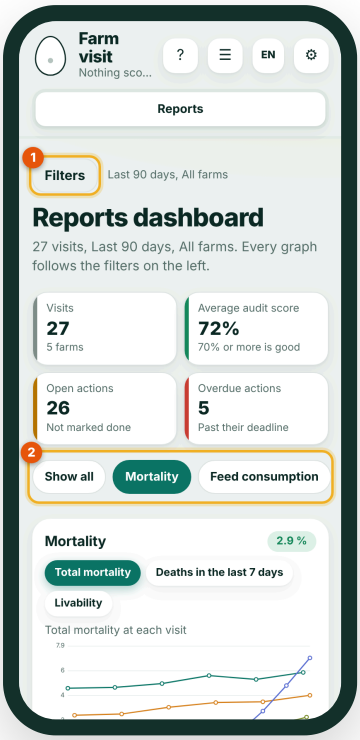

Har visit mein jo kaam bataye gaye (actions), unki list — kis farm ka, kisko karna hai, kab tak.

Open actions, **Critical** aur **All visits** tabs se chhaantiye. Late (overdue) wale alag se dikhte hain.

STEP 6

Phone par reports

1 Phone view

1. **Filters** — isme Dashboard/Findings, period, farms, download sab hai
2. **Report tabs** — ek report ya Show all

> **Tip:** Phone par graph ko ungli se chhoo kar values dekhiye.

Rang aur score ka matlab

Dikhta hai	Matlab
Hara	Target ke andar — sab theek
Peela	Target ke kareeb — dhyan dein
Laal	Target se bahar — turant action
🥚 Score anda	Audit score: Excellent (85%+), Good (70%+), Needs improvement, Critical

❓ Naya visit nahi dikh raha?

Page refresh kijiye. Auditor ka phone offline ho to visit internet milne ke baad aata hai.

❓ Kuch farms nahi dikh rahe?

Admin ne aapko sirf chune farms diye honge — unse access badalwaiye.
